

Magna-Peel Postcard with Business Card Magnet

Item: 2822 003

The Magnet-Peel™ postcards give you extra impact in your bulk mail marketing.

The magnet is securely attached with spot glue to the surface of the postcard.

The magnet will not come off in the mail but is easily peeled off by hand after delivery, making this the most convenient way to get your message into the hands of your customer.

“Studies show that postcards with magnets attached are more widely read than ordinary direct mailers.”
